

PRESS RELEASE

Infraxis showcasing its comprehensive Fuel technology at UNITI EXPO in Stuttgart with our processing partner, CCC

Lugano, 9 May 2022 – Infraxis AG, part of TAS Group, a leading technology provider in the Payments space, will be exhibiting at the upcoming UNITI EXPO taking place in Stuttgart from May 17 through 19. We're proud to be at UNITI 2022, where we'll be co-exhibiting with CCCBusiness Service AG, our processor partner servicing the top forecourt operators and fuel card issuers in Switzerland and beyond.

The state of the art PayStorm Fuel platform is powering CCC business by supporting leading Fuel Industry operators on a daily basis. Infraxis is continually investing in the PayStorm platform, bringing the challenger bank paradigm to the processing of fleet cards, forecourt acquiring and EV charging apps.

PayStorm efficiently solves challenges associated with acquiring and authorizing fuel card payments through its highly adaptable design, enabling the realization of different business needs within the minimum of time and with the minimum of cost.

“Whether your organization needs to acquire internationally branded cards, perform authorisation against a small to medium sized card portfolio, or to simply to switch out to a card issuer for authorisation, Infraxis has the solution ready to satisfy your processing requirements.” - commented **Manfred Thomi, CEO of Infraxis**.

At the UNITI Expo Infraxis stand visitors will be able to assess the ease of app integration via APIs for mobile-first onboarding and self-management for both fleet cards and international payment brands.

UNITI Expo, the leading retail petroleum and car wash trade fair in Europe, is finally back in-person, with 4 themed exhibiting areas. Infraxis AG welcomes all interested visitors in Hall 5, the Technology, Payment & Logistic area, at booth 5A20.
