

Press Release

TAS hires Andrew Quartermaine as COO and General Manager of International Business

Milan — July 28, 2022 — TAS S.p.A. (hereinafter “TAS”), a leading company in the supply of software and services for banking and financial applications, in Europe and Americas, hired Andrew Quartermaine as Chief Operating Officer and General Manager of TAS International Business.

Andrew brings with him nearly thirty years of experience in the Payments Industry. He has been involved in successful start-up businesses and has held a number of senior positions in large multinational corporations, including NCR, First Data Corporation and more recently ACI where Andrew, in the past 7 years, held the role of Director Merchant Retail Europe and Vice President Customer Success.

Andrew’s specific expertise in P&L management, customer relationship management and new market entry strategy makes him a perfect fit for TAS’ ambitions to boost its growth in the International Market, leveraging a best in class payments platform. The recent change of governance driven by Rivean Capital Private Equity Fund who acquired TAS Group in Q1 this year further aligns to the growth strategy of TAS.

Valentino Bravi, CEO of TAS, said *“We’re very excited to have Andrew on board. Through his strong track record in multiple sectors across multiple geographies and EU regions, I am sure he will inspire and empower our growing international team.”*

Andrew Quartermaine added *“I am very pleased to be joining TAS and am excited by the challenge of expanding the business internationally. I believe the solutions TAS has within its portfolio, the partnerships which are in place, the quality of the TAS teams and the support being provided by Rivean Capital will enable the company to capitalize on opportunities which exist”.*

TAS Group

TAS Group is a leading technology company, providing advanced solutions for cards, payment systems, capital markets and extended enterprise. Our leading-edge software allows both banks and new players in the payments space to deliver and manage frictionless, real-time B2C, B2B, B2G transactions, integrating with and leveraging the latest technologies. From advanced fraud management solutions that exploit the power of Machine Learning, to scalable, modular payment platforms delivered over the Cloud, we empower our customers to unlock the infinite potential of the open and instant era and play an active role in the new payment ecosystem. Trusted by European Central Banks to manage millions of financial messages each day, our 40-year-old reputation in the market and unrivalled domain expertise has made us an internationally preferred partner for commercial banks and corporations. TAS has a global reach and offices in 9 countries spanning Europe, the USA and Latin America. www.tasgroup.eu
